

HUMAN RESEARCH ETHICS COMMITTEE

Member Role Description: Professional Care

	Professional Care Representative, University of Adelaide Human Research Ethics Committee (HREC)
	Office of Research Ethics, Compliance and Integrity, Research Services

Human research encompasses a wide range of activities with an equally wide range of risks and potential benefits. The HREC assists the University to protect the welfare and rights of participants in research. The Committee must ensure the effective consent of research participants in a research project and that any risk which may be involved is acceptable.

- To apply the ethical principles and values set out in the National Statement of Ethical Conduct in Human Research
